

PRIMaRE Funding Application Form: Overseas Collaborators to Visit Partners (OCVP)

Rev. 07 October 2019

This form is to be used to apply for travel/accommodation funding to attend the Annual PRIMaRE Conference. The information provided will be reviewed by the PRIMaRE Steering Committee, who will allocate funds according to the value provided by the visit in building or strengthening collaborations with overseas research groups.

Successful applicants will be expected to attend the Annual Conference and provide a presentation on the work carried out by their research group as a minimum requirement, but we also encourage visits to specific PRIMaRE institutions either before or after the conference to maximise the benefits gained. Please note that although we will welcome colleagues from your group also attending the conference, we can only support the costs of one person’s travel and up to 3 nights of accommodation.

The completed form should be submitted to funding@primare.org on a single pdf file together with a two-page CV of the applicant.
