

Information on the 10th PRIMaRE Conference and Draft Programme

University of Bath

The 10th PRIMaRE Conference will take place on the 27th and 28th June 2023 at the University of Bath. The annual PRIMaRE conference provides a forum for exchanging the latest research & development and fostering collaborations in Marine Renewable Energy. We look forward to welcoming you to the University of Bath and enjoying an inspiring and interesting programme of talks, posters and discussions.

Please register now – [Click here to register!](#)

Conference Venue:

The registration desk and conference talks, and posters will be held in the same building on the campus of the University of Bath (Bath, BA2 7AY, UK). More details on the lecture theatre will be updated soon.

Travel

We hope participants will travel by public transport where possible. You can reach Bath by Train or Coach. If arriving by rail, please get off at Bath Spa Station. Bath is compact, though hilly. If you stay somewhere reasonably central, you may well decide to walk everywhere. You can also take First Bus (<https://www.firstbus.co.uk/>) around Bath. You can find taxis outside of Bath Spa Station, or call Abbey Taxis (01225 444444), and V Cars (01225 464646).

Some links are given below to help you plan your travel to Bath and to the campus of the University of Bath.

About Bath and Accommodation

Bath is a World heritage City. It ticks pretty much all the boxes for a perfect short break. With sweeping, honey-stone Georgian crescents and terraces spread over a green and hilly bowl, it's a strong contender for England's most beautiful small city.

There are a huge number of hotels and other accommodation options to suit every budget in Bath. For a general guide to Bath go to: <https://visitbath.co.uk/> - lots of ideas and deals on [where to stay](#) and things to do, such as the [Top ten must-sees in Bath](#), and the [Top ten things to do in Bath](#). Or you can book your accommodations at [Booking.com](#), and [airbnb](#).

Conference Format

We received a large number of excellent abstracts for presentations and posters. Conference presentations, posters and exhibition stands will take place in the same building on the campus of the University of Bath.

Oral presentation timings and details of slide submission will be confirmed in the weeks before the conference, but we expect presenters to be allocated 10 minutes + 2 minutes for questions.

Posters should be A1, portrait format is preferred.

Supporting organisations & Exhibitors

The PRIMaRE conference could not take place without the support of sponsoring organisations and exhibitors. We are very grateful to all our sponsors and we invite any potential sponsors to offer support for this conference. Display space can also be made available. Please get in touch with Prof. Jun Zang at jz235@bath.ac.uk. We shall update this session soon with all the details.

Meals and Conference Gala Dinner

The PRIMaRE Conference is free to attend with the option of attending the gala dinner for a small fee. Lunch and tea & coffee will be provided on both days.

The PRIMaRE Gala dinner will take place on the evening of 27th June 2023. The gala dinner will be paid individually. A separate email for menu choice and payment will be sent. We are working to ensure the charge for the conference dinner would not exceed £40.

After the panel discussions, guides will be available to lead those who would like to walk to the gala dinner.

CCP-WSI Focus Group Workshop 4

The CCP-WSI Focus Group Workshop 4 will take place on the 28th June, 14:00-16:45. It is an industrial engagement event hosted by the CCP-WSI, focussing on offshore renewable energy applications. The Workshop will bring together CCP-WSI project partners with representatives from the wider WSI Community to develop a priority list of WSI challenges and inform future targeted focus group meetings. The ultimate goal is to develop a roadmap for CCP-WSI activities and inform future funding calls.

10th PRIMaRE Conference – Draft Programme

University of Bath, UK

27th June 2023

8:45-9:15 Arrival and registration

9:15-9:30 Welcome & Introduction

Session 1 Tidal energy

9:30-9:50 Invited speaker 1

9:50-10:50 Presentations (5)

10:50-11:10 Poster presentations

11:10-11:40 Coffee break and poster displays

Session 2 Offshore Wind

11:40-12:00 Invited speaker 2

12:00-13:00 Presentations (5)

13:00-14:00 Lunch and poster displays

Session 3 Design tools and methods in marine renewable energy

14:00-14:20 Invited speaker 3

14:20-15:20 Presentations (5)

15:20-15:40 Poster presentations

15:40-16:10 Coffee break and poster displays

Session 4 Challenges and Opportunities in marine renewable energy

16:10-17:10 Invited speaker 4

16:30-17:30 Panel discussions

19:30 Conference dinner

28th June 2023

Session 5 Wave Energy

- 9:00-9:20 Invited speaker 5
- 9:20-10:20 Presentations (5)
- 10:20-10:50 Coffee break and poster displays

Session 6 Resources and environments

- 10:50-11:50 Presentations (5)
- 11:50-12:00 Poster Prizes
- 12:00-12:05 PRIMaRE Chair hand-over to University of Southampton
- 12:05-12:10 Closing Remarks
- 12:10-13:10 **Lunch**

14:00-16:45 CCP-WSI + Focus Group Workshop 4

The CCP-WSI Focus Group Workshop 4 is an industrial engagement event hosted by the CCP-WSI, focussing on offshore renewable energy applications. The Workshop will bring together CCP-WSI project partners with representatives from the wider WSI Community to develop a priority list of WSI challenges and inform future targeted focus group meetings. The ultimate goal is to develop a roadmap for CCP-WSI activities and inform future funding calls.
